School Photographer

Dear Parents

We thought, as a change to our usual photographer and the way we have done things previously, we would trial something different this year.

A photographer from Braiswick Photography is coming into school on **Monday 19th June 2017** to take class photos, they will be here for most of the day to incorporate afternoon nursery children. You will be able to buy these in the same way as you have in the past. Year 6 children will not need to purchase their photographs, school will be buying these as a leaver's gift.

These will be class photos only (no pre-school siblings) however, we will still be doing the individual/family photos in October as we have done in previous years.

We were impressed with the samples we looked at and are sure you will be too.

Yours faithfully
